# ! 3 UNIT ZR BRIDGE

## A Challenge to Natural Teeth

HANDS-ON WORKSHOP  
WITH NAOKI HAYASHI, RDT

**June 16-17, 2016**

**Mid-Atlantic Center at  
Bay View Dental Lab  
Chesapeake, VA**

**757.222.9843**

**WWW.BVDL.COM**

**Zirconia Frame  
WITH LAYERING / 3 UNIT  
ANTERIORS ADVANCE COURSE**

**TUITION \$1,500**

### Summary

This course will be a hands-on workshop for fabricating #9-11 three unit bridge with the use of Zirconia frame. Centrals, laterals and canines constitute large portion of a smile, which can affect the entire facial expression dramatically both positively and negatively. Therefore, numerous factors need careful consideration in the treatment process of these areas. For example, unlike a single crown restoration, a bridge requires finer attention in the balance of esthetics and mechanical function. This workshop will allow discussion time with the audience to answer any questions and explain procedural steps in detail.

### Key Concepts

- Tricks in design concept for #9-11 (3 unit bridge) to patient's face and dental arch
- Balancing facial features, lips, and dentition
- How to determine the right internal structure design
- Property of zirconia crown and its use in clinical practice
- Techniques for rich color expression and internal stain adjustments
- Technique to reproduce natural teeth moisture in prosthetic crowns (MCT: Moisture Conceler Technique)
- Texture and luster control technique—shape adjusting to final polish
- Analyzing isolation and 3D effect in practice

### Course Registration

Course tuition is \$1,500. Course registration may be made with Kim at the Mid-Atlantic Center for Advanced Dental by calling 1-757-222-9843.

Overnight accommodations have been secured at the Hyatt Place Chesapeake/Greenbrier at a special group rate of \$115. per evening. Reservations must be made prior to May 16th for this special rate. For room reservations, call the Hyatt at 1-800-993-4751 and ask for The Mid-Atlantic Center Group Rate. If you wish to book your room online, a link to Hyatt booking is located on [WWW.BVDL.COM](http://WWW.BVDL.COM) under Events/Calendar.
